To Whom this letter/request of urgency may concern, here at the Staffing & Personnel of Street Money Magazine

I'm currently listed on Facebook, as Vingil Belin in Memphis, Tennessee, but I'm actually born in Florence, South Carolina, and raised all of my life, in Winston-Salem, North Carolina. As you may know, Winston-Salem's alias is Tre4 Four, it's why I have Tre-4's Last Don, Printed across my Facebook Profile Pic.

Well if you stroll thru my Photo gallery, or mobile uploads, you'll find a photo-shopped Pic of me, with the words Brooklyn's Got my Heart, Printed across it. I have on a black & red coat, black & red hat, and my sister Milan (aka Mimi Aja Cole's) face blended at the bottom of the Pic.

I'm kindly asking you all, to Publish that photo, with the article enclosed, titled: Brooklyn's Got my Heart. If her numbers not the same, please contact her on Facebook, if you just "HAVE" to get her approval. And if you all Publish me, I'll help promote it, to millions of Prisoners.

I'm also the former Rapper, Black Chris Tha Don; spelled Tha instead of The. I've worked with a lot of famous people, that's not on my Page. So just like the saying, you can't judge a book, by its cover, you can neither judge a person's success, by social media likes & views.

I'll be more than happy, to do more stories, interviews & more. Just holla at me.

Very Sincerely,  
-Chris

# BROOKLYNS' GOT MY HEART

Although Winston-Salem, North Carolina, have been & always will be home, I've gotta acknowledge the fact that, I was born in Florence, South Carolina, to a very well known New York Family. It's had its ups & downs, trials be accepted, but it's also presented virtues, like being given the best of both worlds.

Throughout my struggle, which I still endure however, I've always had my sister Milan; born in Harlem but, currently residing in Brooklyn, New York. "Milan, I can greatly understand your frustrations of, having to see me coming in & out of this prison system." And I greatly apologize for, the bad example it's clearly seen to be, to your children, who are as well, my dear Niece & Nephews.

Yet I'm hoping that, seeing me on this Magazine Page, will both inspire you & the little ones, and prove that we can succeed, no matter how ~~the~~ tough the struggle gets. I'm not even the most successful Rapper, Black Chris Tha Don @www.soundcloud.com but, there's one thing about it.

My resume as a Promoter, and Entrepreneur in general, is definitely growing bigger & bigger, by the day, overpowering all of the bad, I've been accused of, and or accidentally fell victim to. There's even been times, I've been dead wrong but, the unconditional love & understanding that you possess for me, makes me feel obligated to love back.

With all of this being said, I'm hoping it makes you feel good, to know that, this article may also serve as an open letter, and tool for mending broken families. None of us are perfect but, we've definitely gotta love unconditionally, in order to win hearts over, and convince others to give us the same.

Keep your head up Lil Sis, and always remember that, I'm here for you, no matter where you are, or decide to go. You'll always be

the vessel of Big Brothers heart, no matter how far we are  
apart. Brooklyn definitely got my heart.
